## THE ASSOCIATION FOR STUDY NURSES AND STUDY COORDINATORS

---

Dear colleagues and friends,

On behalf of the Working Group “National Congress for Study Nurse/Coordinator”, it is our great pleasure to invite you to the 1<sup>st</sup> Congress of the Swiss Professionals of Clinical Research Coordination, which will take place at the University Hospital Basel (USB) on Friday, 15 September 2017.

The programme of the congress consists of two parts. In a first part, members of the Working Groups will present goals, structure, and current state of our new Association **Swiss Professionals of Clinical Research Coordination**. In addition, you will learn about currently available options for training and continuing medical education for study nurses / study coordinators.

The second, larger part of the congress is dedicated to educational presentations and state-of-the-art lectures. A faculty of renowned speakers will address crucial topics and enhance our knowledge on important areas of our professional work.

The friendly and informal attitude of the congress will give you the great opportunity to informally meet speakers and colleagues, discuss challenges we are facing in daily work, and exchange ideas. In addition, you have the unique opportunity to become a founding member of the Association Swiss Professionals of Clinical Research Coordination and be part of the foundation ceremony!

And although the focus will be on a stimulating professional meeting, the Congress is not only about education and engagement in professional development; it is also about networking, meeting old friends again, and making new friends.

Welcome to the National Congress for Study Nurses and Coordinators 2017!

Registration fee: **CHF 100.-** with registration and payment before 30 August 2017  
**CHF 120.-** with registration and payment in cash at the venue event

Please register online: [link to registration](#) (registration is open until 18 August 2017)

## HOW TO GET THERE

### Hörsaal Pathologie

University Hospital Basel | Institut für Pathologie | Schönbeinstrasse 40 | Basel

### By public transport

We highly recommend using public transportation. From train station SBB: take bus line No 30, in direction “Badischer Bahnhof” to bus stop “Bernoullianum” (4<sup>th</sup> stop) and take the next turn right into Hebelstrasse. The auditorium is located on the corner Schönbeinstrasse / Hebelstrasse.

### By car

If you are travelling by car, we recommend the parking garage “Parkhaus City”, which is located at Klingelbergstrasse 20 in 4056 Basel.
